Sale Day Safety ***(Please read)***

Visitors enter the pens at their own risk. Children under the age of 16 are not permitted in the pens.

At Pentire all care is taken to ensure livestock pose minimum threat to our clients, our staff and us. However, we cannot predict nor guarantee their behaviour.

All sale bulls have been assessed for temperament and are quiet to handle under normal circumstances.

Unfortunately sale day places abnormal pressure on bulls as they are not used to having a crowd of people around them, and so the behaviour of even the quietest bull can be unpredictable. With this in mind, we ask while inspecting the sale bulls you treat them with respect and don't overcrowd them.

Bulls may also fight in the pens and at these times they are oblivious to people who may be in the way.
