## SHUT THE GATE

(an adaptation of a poem by Nancy Kraayenof)

For our dear Frowse the worries are over, lie down  
and rest your head,

Your time has been, you've struggled enough, put  
the tractor back in the shed.

Years were not easy, many downright hard, but your  
faith in God transcended,

Put away your tools and sleep in peace. The fences  
have all been mended.

You raised a fine family, worked the land well and  
always followed the sun,

Hang up your shovel inside the shed; your work here  
on earth is done.

A faith few possess led your journey through life,  
often a jagged and stony way,

The sun is setting, the rams are all shedded, and  
here now is the end of your day.

Your love of God's soil has passed on to your kin; the  
stories will flow like fine wine,

Wash off your work boots in the puddles left by  
blessed rain one final time.

You always believed that the good Lord would pro-  
vide and He always did somehow,

Take off your gloves and put them down, there's no  
more sweat and worry for you now.

Your labour is done, your home now is heaven; no  
more must you wait,

Your legacy lives on, your love of the land, and don't  
worry Frowse, we'll shut the gate.
