INTRODUCTION TO AYR PARK

Welcome from Ayr Park to our 15th On Property Production Sale

Murray Greys

There are six outstanding young Murray Grey bulls in the sale that would enhance production in any stud or commercial operation. The bull numbers are down a bit as we are cutting back, but the quality is right up there.

There is a line of stud heifers PTIC that are from the heart of the herd. These heifers are top quality and show quality.

Angus

There are 10 stud Angus bulls all by top AI sires, Sterling Pacific, Landfall New Ground, Chiltern Park Moe, and Baldrige Goalkeeper and out of quality female lines from KO, Millah Murrah, Kenny's Creek, Prime and Booragul.

With the bulls we put emphasis on feet and docility with top structure and doing ability. All bulls are guaranteed and we contribute to delivery.

Inspections are always welcome. We thank you for your interest and support in our program and hope to see you on sale day.

Best wishes,

Ian and Narelle
